I do not quite understand the Dep^y Com^rs proposal. He wants to be supplied with copies of interpellations with replies and with copies of the Budget. [illegible] It is a matter for the Spin^g Dep^t to say whether copies of the draft Budget may be sent to the Dep^y Com^rs

But as regards interpellations with replies, I am afraid it is not possible to send advance Copies.

" The replies must be furnished just in time for the Meeting & to send advance copies is therefore out of the question.

12 9 It would seem to be sufficient if the Dept Offrs are supplied with the published Progs. of the R.A. & the D.C. & (for this will fully meet the objects which the D.C. has in View.

To

B. Nagappa, Esq., Bar-at-Law,
Secretary to Government of Mysore,

Sir,

I have the honor to request that copies of interpellations addressed to Government and their answers to them as well as draft budgets may kindly be caused to be circulated among the Deputy Commissioners as it will enable the said officers to keep themselves in touch with valuable information on several important matters of administrative interest. Besides, these copies are required for reference during the discussion of subjects at the meetings held by the Deputy Commissioners twice a year for the selection of subjects &c. As the proposal would mean the printing of only 8 more copies than the number that is now being printed there will be no appreciable extra expenditure. I therefore request that the suggestion may kindly be considered and the orders of Government obtained in the matter.

I have the honor to be,
S i r,
Your most obedient servant,

Treasury Assistant Commissioner,
For Deputy Commissioner,
